## Sri Sri Sri Dr. Balagangadharanatha Maha Swamiji

Founder President

Sri Adichunchanagiri Shikshana Trust®

Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji (1945-2013) succeeded Sri Sri Sri Ramanandanath Mahaswamiji and inherited the Natha lineage as early as at thirty years of age on the auspicious day of 24th September 1974. He became a seer of the Adichunchanagiri Math, inspired by the desire to serve the country men and thread the path of Spirituality took initiation at the age of 19 and acquired the knowledge of Vedas, Upanishads and ancient Indian scriptures under the tutelage of Sri Sri Sri Ramanandanath Mahaswamiji as his Guru. He became the 71st pontiff of the Adichunchangiri Dharma Peetha and worked tirelessly to realize his vision of revolutionalising the Society through Spiritual, Educational; Social, Cultural activities of the Math. He travelled all around the World and the country understanding the needs of the people. Having comprehended the prime requisites of this hour he plunged to take up various initiatives aiming at the integral development and progress of the nation. This objective could be achieved only by involving in Jnana and Karma Paths, as described in the famous scripture of Bhagavadgita. The Swamiji as a true Sanyasi dedicated the whole of his life for service to others/Society at large (Paropakartham Ido Shariram...).

His Holiness was truly an enlightened and realized soul for he treated all the people alike, without discriminating on the basis of caste, creed, sex or status. His approach towards handling different problems was truly scientific and logical. He implicitly understood the importance of Education to the masses in alleviation of poverty. This led to the establishment of Sri Adichunchanagiri Shikshana Trust formed in 1973, through which several Educational institutions and schools have been set up. At present 450 + such schools are functioning across the State/Nation aiding the Government in educating the rural and semirural children. This campaign of Jnana Dasoha ranges from providing primary education to the rural poor to making available professional education to meritorious students. Also Mahaswamiji has made free boarding and lodging facilities for Civil services aspirants in the premises of the Math at Vijayanagar campus in Bangalore.

His Holiness Jagadguru

**Sri Sri Sri Dr. Nirmalanandanatha Maha Swamiji**

President

Sri Adichunchanagiri Shikshana Trust®

The successor of Natha Parampara along the lineage of Sri Bhaktanatha Mahaswamiji, Sri Chandrashekaranaatha Mahaswamiji, Sri Ramanandanatha Mahaswamiji and Sri Balagangadharanatha Mahaswamiji with a historical tradition of 1800 yrs is the present illumined seer Sri Sri Sri Nirmalanandanatha Mahaswamiji, heading the Adichunchanagiri Mahasamsthana as its 72. pontiff. He follows the footsteps outlined by his predecessor with awe and, envisions for continuing the good works carried out by Math and expanding the same to benefit the global masses.

Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji an ardent follower of Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji hails from a Small village in Gubbi Taluk of Tumkur District. After his early schooling he joined Government. Polytechnic college, Tumkur and passed his Diploma with Distinction securing 7th Rank for the State. Later he passed his graduation in Civil Engineering from National Institute of Engineering, Mysore and his M.Tech in Structural Engineering from Indian Institute of Technology, Chennai. Mahaswamiji unlike other youngsters had orientation towards spiritual and service activities rather than materialistic happenings. This attracted him to volunteer teaching at the Blind School in Archakarahalli, Ramanagar district.

He found serving these visually challenged children more smoothening than pursuing research at top Engineering institutions of the country. This makes it obvious of the humane and modest nature of the present seer. He also alike his Guru believes and enjoys in working for the Society, upliftment of the downtrodden and shares similar views to the former.

## Revered Sri Sri Dr. Prakashnatha Swamiji

Managing Director,

SJB & BGS Group of Institutions & Hospitals

With the Blessings of his Divine Soul, His Holiness Paramapoojya Padmabushana Bhairavaikya Jagadguru Sri Sri Sri Dr. Balagangadharanatha Maha Swamiji, His Holiness Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Maha Swamiji, Sri Adhichunchanagiri Mahasamsthana Math, sanctified by the penance of Lord Shiva, is an religious Institution of India. This "Dharampeetha" is committed for preservation and propagation of Indian Heritage through the ages. The Math's objective envisages the spreading of essence of spiritualism to establish universal brotherhood and global peace.

The birth of BGS Institutions was indeed a dream come true for our founder, who dared to dream building a school in India, which would stand the test of time and shine with its in brilliance for decades to come. And so one small seed planted in this rich soil has today grown into a tree with wide spread branches. During one of my visit to abroad with Maha Swamiji, I was pretty much overwhelmed with renown of education provided to the children in abroad. By viewing those education excellences, I had a hallucination of introducing the same excellence of education even in India, which emphasized on humanitarian services with all confidence and commitment, which brought the reliability to handle the segment of BGS Health & Education city at Bangalore. This abetted BGS Institutions to become one of the finest educational centre's of South India. As the vision so the world appears to us. The institution guides and encourages students to lead the life of a visionary for the betterment of the society. Education lends beauty to human life, because society is ever in need of educated people. From this point of view, education is a kind of power. Though everyone naturally likes to have power, its misuse, however, is not salubrious. Therefore, it is extremely essential that education goes hand in hand with spiritual initiation. Such initiation alone can ensure the good use of education. An initiated man does whatever he does, only for the attainment of his goal. In order to guard against the misuse of education, i.e. the power attained through knowledge, science and arts, the educated should most essentially be initiated. If we desire a society of peace, then we cannot achieve such a society through violence. If we desire a society without discrimination, then we must not discriminate against anyone in the process of building this society. If we desire a society that is democratic, then democracy must become a means as well as an end.

Students should emphasis on improving the method of learning abilities in such a way that effectively transfer knowledge & skills to focus on innovative creativity & competiveness to grow up to be knowledgeable, responsible and self-confident individuals who are prepared to face the challenges of life with integrity and equanimity".

# BGS International Public School

Sector 5, Dwarka, New Delhi, 110075

With the Blessing of His Divine Soul Padmabhushan Jagadguru  
Dr. Sri Sri Sri Balagangadaranatha Maha Swamiji Adhichunchanagiri Math,  
We The BGSIPS Family Welcome all. Our Motto is...  
"Service to Mankind is Service to God"

2000+  
Students

## #1 School in Dwarka

**Mission:** To build conscientious and responsible citizen

Technology has changed the way modern educators conceptualize the learning. In our institution, we successfully engage the students in active learning by following both, the traditional as well as Innovative teaching strategies.

Diversity in our school is considered to be a compelling value to the education of all students, we focus a lot on under represented students by helping them out to be part of main stream. We believe teachers are mentors and they are a Role Model, a Nurturer and a Care Giver.

We strictly follow the 5 key concepts of motivational theories- Empowerment, usefulness, success, interest and caring and thus we see our students excelling in various fields .

In our school, there is a growing number of initiatives -actions, strategies and policies aimed at improving the quality of teaching learning process.

**"ALL CHILDREN ARE BORN ALIKE, IT IS THE ENVIRONMENT WHICH MAKES THE DIFFERENCE"**

We focus on the needs, expectations and problems of the students, and on collecting feedback information for continuous improvement in teaching and learning process.

Trust and openness are the key words we believe in. Student's ideas are welcome and not simply accommodated.

The door of Principal's room is always open and students, faculty and parents have complete freedom to walk in and share their views on any issue or concern.

We strongly endorse that co-curricular activities are integral part of educational program. These activities include sports, clubs and events. Students take on various responsibilities in running these activities, which enhances their leadership skills.

These activities enhance the self-esteem, self-confidence, social co-operation and leadership skills in an individual. Above all these activities allow students to blend aspects of academic learning into personal actions.

Physical education and fitness is a compulsory part of the curriculum. The School competes in Inter-School matches in: Soccer, Basketball, Cricket, Lawn Tennis, Badminton, Athletics, Swimming and Table Tennis.

The School encourages students to be responsible from a young age. Student Council members are school leaders and student role models who guide and counsel their peers, helping to develop positive behavior and values.

A lot of focus is laid on building the various Life Skills in our students for an adaptive and positive behavior that enables them to deal effectively with the demands and challenges of everyday life. We at BGSIPS are committed to follow the school motto - Service to Mankind is Service to God.

# BGS National Public School

Ramalingeshwara Cave Temple, Bannerghatta Road, Hulimavu, Bengaluru, Karnataka 560076

'Education is the passport to the future,  
for tomorrow belongs to those who prepare  
for it'...

And that is what BGS NPS does best. BGS National Public School, the Brain Child of Sri Sri Dr. Prakashnatha Swamiji, Managing Director of BGS Group of Institutions and Hospitals was established in the Year 2006 with the Divine Blessings of the Founder President, His Holiness Bhairavaikya Jagadguru Padmabushana Sri Sri Sri Dr. Balagangadharanatha Maha Swamiji, the 71st Pontiff of the ancient Natha Center of Worship, Shri Adichunchanagiri Math. BGS NPS continues to do its best with the continuous encouragement and support by the President of the Math, Sri Sri Sri Dr. Nirmalanandanatha Maha Swamiji. The Management aims at fulfilling the social responsibilities such as Anna, Akshara, Aaroghya and Parisara. Three magnificent buildings with pleasing architecture sprawl amidst the lush green garden and a Natural Cave Temple of Ramalingeshwara. BGS NPS is a Kinder garden to 12th Standard School affiliated to CBSE located at Hulimavu, Bannerghatta Road, Bangalore, Karnataka.

The quality progress in all fields made by BGS NPS from 250 students in 2006 to 4250 plus students in 2018 is the reflection of the rich experience in the field of Education and the work culture of Guruji. One can speak in volumes about this inspiring personality whose life by itself is a message to the students, faculty and the parents. The greatest challenge of a School Leader is to keep the students and faculty motivated to do better than the best. The Academic Director and the Principal, very tactfully resolves the challenges faced and expects quality work with perfection. Very tough task masters, who guides the ways to do, their words of appreciation, are carried with pride by every teacher and the student.

India Top 20 CBSE Schools Ranked  
No.4 in India, No.1 in Karnataka & Bengaluru

ASSOCHAM Best School Innovation  
Awards 2017 - Innovation in School Health

The Winners of MATHWHIZZ  
National Level Quiz Competition 2017

The greatest strength of BGS NPS is the enthusiastic and proactive teaching faculty. The outstanding results produced in class X and XII board exams year after year are the evidence for their subject competency.

### EXCELLENT INFRASTRUCTURE AND FACILITIES PROVIDED BY THE MANAGEMENT

The teachers are very skillful in training the students for various events and competitions. The constant effort taken to improve their skills and competency in every aspect by participating in workshops is worth appreciating.

What makes BGS NPS teachers proactive is its hyperactive and inquisitive students. To channelize their energy in the right path is a tough challenge, but never impossible. It is a school with multitude of students from various strata of society and the school takes up the responsibility of preparing them to be committed and responsible global citizens of tomorrow. It does this by providing them with a myriad of activities enmeshing academics with extra-curricular activities seamlessly. It is a place where Indian culture, which is an amalgamation of various traditions receive a fillip with the celebrations of Krishna Janmashtami with our little ones dressed up as little Radhas and Krishnas or Dasara with the traditional Bombe Habba. Art and Music find a perfect balance with Sports, with the Art and Music Departments conducting the Bodhi Art Gallery and the Music Mania, with our Sports Department posting victories in various events. We are also second to none as far as Debates, Quiz and Science is concerned, conducting the Science Quest which brings to the fore young scientists, Quizaders, the interschool quiz competition bringing together the best quizzing minds in Bangalore and the Intra School Model United Nations. These are but a few of the events hosted at our school. Apart from these, our students also participate in various events outside, winning laurels for their alma mater. Our Graduation ceremony, Jyothirdan is a solemn ceremony reflecting the ethos of our school-Rooted to culture, committed to success.

Our students are trained to be civic minded and many of them are Eco Warriors taking the Lake conservation very seriously, by adopting the neighbourhood lakes. We believe in creating future leaders who are willing to lead from the front. We offer them the platform to showcase their talents, right from organizing the Annual exhibition, the Cultural programs and the Sports Day, our Senior Students are excellent organizers and believe in completing any tasks entrusted with great aplomb. Talents remain hidden and many a time students themselves remain ignorant of their capabilities. The Management and the teachers are the driving force, which brings up these talents to the forefront by providing the students with the opportunities which will definitely boost their confidence and help them in fit into the complex world of the future.

We aim to create a generation which is modern in its outlook and thinking yet who are firmly anchored in their culture.

## BGS Global Institute of Medical Sciences & Hospital

(Affiliated to Rajiv Gandhi University of Health Sciences, Bangalore & Approved by Medical Council of India (MCI))

BGS Global Institute of Medical Sciences, affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), has been established to impart quality medical education and spawn dedicated healthcare professionals for services in the society. Nestled in a sprawling 50-acre campus, the Institute is equipped with state-of-the-art classrooms and ultra-modern laboratories to create a conducive environment for teaching, learning and patient care.

The infrastructure of the Institute has been meticulously designed and built to accommodate the intake of 200 (MBBS) undergraduates, and also keeping in mind the expansion of knowledge base with various PG courses in the near future.

The Institute inculcates some of the most progressive teaching and learning techniques to both students and teachers. Highly advanced and innovative methods that impact the quality of medical education and also the lives of people who seek medical attention are formulated through various avant-garde programs. The courses offered by the Institute are contemporary and duly approved by the Medical Council of India.

BGSGIMS has a 450-bedded multi-disciplinary general hospital with 100-bedded tertiary care unit to provide effective medical training. Well-equipped with all modern diagnostic and therapeutic facilities for patient care, The hospital offers comprehensive clinical experiences for students and residents.

The centrally air-conditioned hospital has 14 major operating rooms and the finest imaging/radiology facility. The Casualty Department of the hospital works 24X7 to cater to medical and surgical emergencies. A well-equipped Blood Bank monitors blood donations and delivery systems to support casualties and surgeries. Pharmacy is made available round-the-clock for OPD and IPD. Computerized inventory and billing system with all latest drugs are available in the store for the use of patient's.

### Major Features of the Hospital:

- Advanced trauma care
- Round-the-clock casualty services
- Sophisticated laboratories and radio diagnostic facilities
- 24 hours pharmacy and blood bank
- Special lounge area for patients' families and friends

*"Healthcare is the cornerstone of the welfare state"*

BGS Global Institute of Medical Sciences & Hospital, the crown jewel of the BGS Group of Institutions strives for excellence in all areas of teaching, research and healthcare. Affiliated to the Rajiv Gandhi Institute of Health Sciences, the Institute is committed to the cause of 'Service to Mankind', by delivering quality healthcare at affordable prices. Established in 2013, BGS GIMS Hospital is a 750 bed tertiary care hospital located in Namma Bengaluru. Nestled in a sprawling 50-acre campus, the Institute boasts of world class infrastructure and state-of the art medical technology. The hospital is known for its excellence in multidisciplinary care, with some of the leading doctors in the field; thus catering to the societal needs and ensuring equality in healthcare.

The BGS Global Institute of Medical Sciences is an established education provider known and acclaimed for its intense passion and zeal in creation and dissemination of knowledge for the needs of an emerging India. The Institution is synonymous as a Centre for Excellence in medical education with innovative curriculum and superlative infrastructure, dedicated to deliver the future doctors of this country.

Within a very short span, BGS GIMS has grown and evolved into a prestigious medical school with focus on delivering quality healthcare and creating a culture of learning. It has been consistently ranked among the top medical schools in the country, and has now earned an outstanding reputation for itself in the fields of academics and research.

## SJB School of Architecture & Planning

Approved by COA, New Delhi and Affiliated to VTU, Belagavi

- ♦ SJB School of Architecture & Planning started in the year 2013 offering B. Arch, M. Arch (Construction & Project Management) and PhD (Architecture) all of which is approved by Council of Architecture, New Delhi and affiliated to Visvesvaraya Technological University, Belagavi.
- ♦ SJB School of Architecture & Planning is part of the BGS Health & Education City, where in the students are taught a balanced mix of global and vernacular Architecture. School is open 24/7 for students to work and meet stringent deadlines.
- ♦ SJB School of Architecture & Planning is headed by Prof. Dr. M N Chandrashekar

### Course offered:

B. Arch, M. Arch and PhD

### Infrastructure

The SJB SAP building is designed by renowned Architect's firm Gayatri & Namith Architects, having the distinction of being the largest infrastructure created by any School of Architecture in Karnataka.

- ♦ UG Studios – 09
- ♦ PG Studios – 02
- ♦ Research Centre- 01
- ♦ Class Rooms – 02, All of which are AV enabled with Wi-Fi connection
- ♦ Model Making Workshop- 2 nos., with 3D Printer, Electric Kiln and Potter wheel etc.
- ♦ Computer lab- 52 PCs with AutoCAD, Photoshop, Rhino, Sketch up Pro, Primavera Software's.
- ♦ Climatology Lab – With Weather Station Library – 650 Titles, 1300 Volumes.
- ♦ Material Museum
- ♦ Permanent Students Work Exhibition
- ♦ Exclusive facilities like Amphitheatre, Auditorium, and Library etc.

### Academics:

• 35 Core and Tenure faculty, along with close to 20 practicing architects teach the B. Arch., M. Arch programs giving students more practical knowledge. • Academic activities like Seminars/Workshops are regularly conducted for both B. Arch and M. Arch programs. • Classes are limited to Monday-Friday to facilitate numerous visiting various Site works (under construction & completed), Building material study at Showrooms of Material dealers, Timber yards and Brick kilns. Carpentry sites to furniture shops, Manufacturer to lighting fixture shops etc. are regularly organized which make the students enhance their knowledge in more of practical way. • Conducted Workshop like Photography skill, Lighting design, Model making etc. • SJB SAP is most renowned for its Architectural Tours in India and abroad. In the recent year, it is engaged in Joint Studio exercises with Universities in UK, USA, Canada and Australia.

## International Tours / Outreach

The tour group in The University of Hong Kong

Our students visited Japan to explore Japanese architecture

Low Carbon Architecture' by Welsh School of Architecture, Cardiff University, UK

Our students visited Japan to explore works of Tadao Ando and other Japanese masters

Faculty-led Architectural Tour And Urban Design Workshop – 2017 : USA

## BGS School of Architecture and Planning

Approved by COA, New Delhi and Affiliated to VTU, Belagavi

BGS SAP is the destination for students who want to pursue, sharpen and develop their skills in sustainable design, or for students who would like to contribute to the creation of a sustainable built environment as a responsible and sensitive Global Citizen, the faculty team at BGS SAP is dedicated to reach such goals.

The institutional focus is dedicated towards the creation and maintenance of sustainable buildings and communities based on a GO GREEN concept. Sustainable Architecture could be defined as the creation of habitat for which only renewable resources are consumed throughout the process of design, construction and operation. In order to achieve this, the process for the B. Arch Degree (Intake of 80 from Aug 2015) is taught with an emphasis on traditional planning and design heritages from across India as well as current trends in sustainability and future practices, processes and materials, which give future architects and planners valuable skills to create a sustainable built environment.

The subjects range from pre-design stages to designing, construction, post-construction, maintenance, operation and evaluation of buildings. We intend to provide hands-on experience through workshops, seminars, site-visits, faculty-led architectural study tours to destinations within India and abroad to provide a total educational perspective.

BGS SAP with its dedicated faculty and noble management is destined to provide its students with an education that combines rigorous academic programs integrated with co-curricular activities such as workshops, guest lectures, sports, cultural, NASA and events for the overall development of a student. We seek to cultivate in each student of BGS SAP community the skill and passion to work sensibly, creatively, and commendably for the betterment of humankind.

## SJB College of Management Studies

Affiliated to Bangalore University, Recognized by Govt. of Karnataka

**"You have the right to work only but never to its fruits.  
Let not the fruits of action be not your motive, nor let your attachment be to inaction."**

SJB College of Management studies (SJBCMS) was started by His Holiness Jagadguru Padmabushana Sri Sri Sri Dr. Balagangadharnatha Maha Swamiji, which was rapt by the well bureaucrat Sri Sri Dr Prakashnatha Swamiji. This college was started in the year 2011 with the intention of training the student community in the field of Management, which is affiliated to Bangalore University.

Our Institution not only infuses domain knowledge into the students it always mounted to provide education that embeds in every individual a sense of professionalism, astuteness and sincerity. By imparting a high quality holistic and value based education by adopting the latest pedagogical tools and support with the help of competent and qualified faculty to meet the demands on management professionals to deliver on organizational expectations have compounded manifold. True management professional needs to strive and set benchmarks of achievement that resonate as milestones of the institution.

We are committed to make deep social impact using technology-enabled education. Towards this end, we offer Massive courses like BBA, B.Com, B.Sc in Fashion & Apparel Design, B.Sc in Interior Design & Decoration. Imminent courses are BCA and M.Com for the academic year 2019-20.

On the anvil are plans to develop our college we have just propelled the best learning practice through International MBA program from South Western Oklahoma State University USA, with the intention to ameliorate the student's excellence in management, innovation and entrepreneurship for business, government and society. We are on an exciting trajectory of expansion and growth and we welcome you to join us on this journey. It has resolved to become a flag bearer of constructive education helping generations to acquire knowledge and enrich skills so as to meet the challenges of a global tomorrow.

SJB COLLEGE OF FASHION & APPAREL DESIGN

## SJB College of Fashion & Apparel Design

## Lecture Halls

The Institute has state-of-the-art air conditioned lecture theatres that are designed spaciouly to accommodate 250 students at a time. All the lecture theatres are facilitated with audio visual equipment including LCD projectors, slide projectors, microphones, etc. Apart from the lecture theatres all the departments have seminar/demonstration rooms with a seating capacity of 75 with audio-visual aids. Digital IP cameras are installed to record live lectures, which are converted into digital format for the provision of E-learning. Multi-purpose halls are designed for conducting exams. These halls are equipped with surveillance system to monitor the students during examination.

## College Library

The comprehensive central library with a floor area of 2400 sqm and 300 seating capacity offers voluminous collection of books and journals in every conceivable specialty and has subscription to various national and International journals, besides access to e-journals. A fully-equipped computer lab with Internet facilities and an exclusive room with audio-visual aids are also part of the library centre.

## Hostels

The Institute provides separate hostels for boys and girls with spacious, clean, and well-furnished living spaces. Library, Internet connectivity and recreation room constitute the other standard features. The hostel mess serves hygienic and nutritious food in spacious dining rooms. Round-the-clock security services ensure adequate safety to the inmates of the hostels.

There is a dedicated committee consisting of wardens and assistant wardens headed by the principal to oversee hostel facilities, maintenance of discipline and to address problems of the hostel inmates if any.

## Sports and Games

A sophisticated health club and outdoor and indoor games facilities are available to keep the doctors-to-be physically fit. Students can indulge in sports such as football, basketball, cricket, hockey, etc. and indoor games like badminton and table tennis.

A well-equipped air conditioned Gymnasium for both staff and students having a qualified physical instructor has been developed by the institute.

## Staff Quarters

Well-designed two bed room flats with all the basic and modern facilities are provided for Sr. Residents and Junior Residents. Quarters, with access to integrated common facilities Like telephone, 24 hours power, continuous water supply, pure drinking water, etc., are also provided for teaching and non-teaching staff on priority basis.
