

## FLORENCE DEGREE COLLEGE

Florence Degree College is a bright star in the galaxy of educational institutions run under the flagship of Srinidhi Education Society. It is one of the emerging commerce colleges in Bangalore city. It prepares students for Degrees of Bachelors of Commerce, Bachelors of Business Management and Bachelors of Computer Applications.

Florence Degree College is affiliated to Bangalore University (BU) which is a public university located in Bangalore, Karnataka State, India. The University is one of the oldest in India, dating as far back in 1886, and is renowned as one of the leading major universities in India.

The College is situated close to the hot IT destinations Bangalore is known for. The Silicon Valley of India, Bangalore is a hot destination for students pursuing their Bachelor's degree. The job market lures students a good job on completion of his/her bachelor's degree. The college offers suitable accommodation for inter-state students.

The faculty is experienced to train the students on the current trends of the market. Guest faculties from prestigious industrial background are often invited for lectures at our college. Placement cell has been instituted for campus placements. Our spacious playground allows our students to indulge in sports which are a huge draw at our college.

## CHAIRMAN'S MESSAGE

Education is a means to acquire knowledge and skill for a profession which equips an individual to contribute his service to the society. This noblest mission in mind motivated **Sri. Mallikarjuna. C** Chairman, and **Smt. Kalpana. B**, Secretary, “**Srinidhi Education Trust**” in order to establish a network of educational institution under the fraternity of “**Florence Group of Institutions**”.

It has been our motto to prepare responsible professionals who would dedicate their professional knowledge and skill for the goodwill of our society. Having the management courses as well, we train and look forward to see our students being successful managers and administrators.

## ABOUT US:

The Florence Group of Institutions was established under “**Srinidhi Education Trust**” in 1994. It was initiated with the vision of imparting excellence in education keeping in mind personal and moral values of an individual who could help in building up the nation.

Florence P U & Degree College is located on a sprawling 10 acres campus in the sylvan South Suburb of the City of Bangalore, on the Bangalore-Hosur National Highway. The Institution has Excellent imposing buildings with spacious Class Rooms, Laboratories with the State of the Art equipment and other Excellent Infrastructure Facility.

As a college, we are well-experienced and ambitious, as our students are, and we have achieved much since our humble beginnings in 2012. Today, Florence P U College offers Science and Commerce combination and Florence Degree College offers recognized B.Com, B.B.A and B.C.A of Under Graduate program and MBA, M.COM program of Post Graduate courses of Bangalore University, one of the oldest and prestigious Universities of India (Karnataka State).

- ☞ To create outstanding leaders who can change the world.

## FLORENCE PU COLLEGE

### COURSES OFFERED

## PUC:

Florence Pre University College is the latest addition to the ever growing and ever green educational venture of Florence Group of Institutions. The organization was established in 2011-12 has laid the foundation for high quality, value added educational programs in Paramedical, Management, Commerce, Computer Science and Life Sciences. The State-of-the-art infrastructure, highly qualified faculty, use of modern teaching aids and technology and the time bound curricular events has ensured advanced level training of our students, who are performing excellently in the corporate and scientific world. Recognizing the need for the training program to start from the pre-university level itself, the institution has established the Pre-University College under the name of “Florence Pre University College” to create a platform for the young minds to develop knowledge and competitive spirit to select professional courses. The Florence Pre University College provides the training for the preparation of competitive examinations leading to Engineering, Medical and CA, CPT programs and other basic programs in Science, Management and Commerce. Each student is given individual attention in developing his English knowledge as well as soft skills. A special team for career counseling has been established to guide the students in academic advancement. The program is designed to build up confidence among the students to face the challenges of the competitive world.
